# ME Doctoral Fellowships Available \$40,000 to Selected Students!

**For current master's degree seeking students who wish to stay and pursue a PhD degree in mechanical engineering:**

**\$25,000** for students in their first year of doctoral studies in the Leslie A. Rose Department of Mechanical Engineering

**\$15,000** for students who are in their second year of doctoral studies. Beyond their second year, it is expected that students will be supported by their doctoral faculty advisor on a funded a research project.

This funding is contingent upon the student maintaining full-time status and a minimum GPA of 3.0 each semester.

**APPLY NOW!**

To be considered for a fellowship, complete the application and submit this to [mechanical.engineering@sdsmt.edu](mailto:mechanical.engineering@sdsmt.edu).
