A2B Articulation Agreement Guarantees & Limitations

GUARANTEES

Students who:

- 1. complete the Associate of Science Engineering degree prescribed curriculum at Casper College exactly as it is identified in this articulation agreement, **and**
- 2. have the degree conferred on their education record at Casper College (post high school graduation), and
- 3. earn a minimum cumulative grade point average (GPA) of 2.75 at the Casper College, and
- 4. pass all 65 credits for the associate degree, earning a grade C- or higher in each course

are guaranteed the following at the South Dakota School of Mines and Technology (South Dakota Mines):

- 1. junior standing at South Dakota Mines with no more than 69 remaining credits to meet the graduation requirements for the Bachelor of Science degree in Industrial Engineering and Engineering Management.
- 2. admission to South Dakota Mines
- 3. admission to the Bachelor of Science degree in Industrial Engineering and Engineering Management.

LIMITATIONS

- 1. This agreement is between the Associate of Science Engineering degree at Casper College and the Bachelor of Science degree in Industrial Engineering and Engineering Management at South Dakota Mines only.
- 2. Students must meet all admission and application requirements at South Dakota Mines, including the submission of all required documentation by stated deadlines. Students are advised to contact the Office of Admissions at the South Dakota Mines early in their transfer planning.
- 3. Student must have a cumulative grade point average (GPA) at the Casper College of 2.75 or higher **and** only courses with grades of C- or higher are guaranteed to be accepted in transfer by South Dakota Mines.
- 4. The credit and course transfer guarantees described in this agreement apply to the Associate of Science degree at Casper College and the Bachelor of Science degree in Industrial Engineering and Engineering Management at South Dakota Mines. If the student changes majors at Casper College or at South Dakota Mines, the student is no longer covered by this Articulation Agreement and none of the Guarantees of the Agreement apply.
- 5. Students utilizing any form of transfer credit, including but not limited to credit awarded from other higher education institutions, standardized exam (CLEP, AP, DSST, etc.), prior learning assessment (military, certifications, ACE recommended credit, portfolio, challenge exam, work experience equivalent credit, etc.) to satisfy any Associate degree requirements will have those credits evaluated by South Dakota Mines. Should South Dakota Mines not accept the transfer credits accepted by Casper College, the student will be required to make up the credit deficiency at South Dakota Mines.
- 6. No course substitutions are allowed for the courses listed in the Prescribed Curriculum for the associate degree at Casper College.

RENEWAL, REVISION, and TERMINATION

- This Associate to Bachelor Articulation Agreement (A2B) shall be in effect July 1 June 30 each year and will
 automatically renew annually unless action is taken by South Dakota Mines or Casper College to terminate or
 modify it.
- 2. The South Dakota Mines Office of the Provost and the Casper College Academic Affairs division will collaborate to coordinate a review the content of the associate and bachelor degrees on a three-year cycle to ensure this A2B is still appropriate.
- 3. South Dakota Mines and the Casper College each reserve the right to seek revision of this agreement at any time.
- 4. Revision of any content of the agreement (except Appendices content) will be approved by each institution and result in a new agreement being signed, with copies retained by each institution.
 - a. Revision to any Appendices will be communicated to each institution, but do not need to be approved by each institution and will not result in a new agreement being signed by each institution.
- 5. South Dakota Mines and the Casper College each reserve the right to seek termination of this agreement at any time.
- 6. Should the agreement be terminated, each institution agrees to collaborate and engage in appropriate plans to notify and work with impacted students, providing a minimum one-year advance notice of termination.
