

Registering for the CITI Program:

If you need to set up an account:

***Make sure you register with your school email address.**

Follow the Knowledge Base guide below to get started.

[Guide to Getting Started](#)

There are two options when creating a CITI Program account: **Selecting your Organization Affiliation** or **Independent Learner Registration**. (Note: for add'l information on the Independent Learner option click [here](#))
Select the appropriate button to continue with registration.

Select **Organization Affiliation** when registering, we are listed in the system.

A blue rectangular button with the text 'Finalize Registration' in white.

After clicking the **Finalize Registration** button you will be redirected to:

- Select **Continuing Education Credit** preferences
- Provide the information requested by your organization for affiliation and reporting purposes
- Select your courses from the available curricula offered through your organization. You will be presented with a series of questions or options to enable you to enroll in the courses appropriate to the curriculum selected by your institution.

You will be able to find the course you need under our organization, and you will be able to enroll in the course you need. The Course required per university policy is entitled **NSF Grants**.

The guide in the link above should be able to answer any other questions you may have.
